First Circular and Application Form

Inflammation 2010

Thursday 18th November 2010
GlaxoSmithKline, Stevenage, UK

Biological & Medicinal

Chemistry Sector

RSC | Advancing the
Chemical Sciences

Introduction

The objective of the meeting is to bring together scientists with an interest in inflammation research, and to encourage the communication and discussion of recent advances and results – ranging from early research findings to clinical data. Attendees will hear from world-class speakers who will be discussing new therapeutic approaches for the treatment of the wide range of serious diseases driven by underlying inflammatory processes.

Programme

- 09.00 Registration and refreshments
09.25 Introduction
09.30 Epigenetic modulation for the future treatment of inflammatory disease
Prof Peter Barnes, Imperial College London
10.30 Identification of potent and selective molecule inhibitors of the BET family bromodomains demonstrate the tractability of a new class of epigenetic targets for drug discovery
Dr Jason Witherington (Epinova DPU, GlaxoSmithKline R&D)
11.10 Refreshments
11.40 Agonism at prostacyclin receptors in the treatment of PAH
Keith J Morrison (Actelion)
12.20 Identification of ALK5 inhibitors for the treatment of PAH
Dr Duncan Shaw (Novartis Institutes for Biomedical Research)
13.00 Lunch
14.00 The discovery of novel TLR7 agonists
Roger Bonnert (AstraZeneca)
14.40 Allosteric modulation beyond GPCRs: applications to inflammation disease targets
Dr Thibaut de Smedt (Addex Pharmaceuticals)
15.20 Refreshments
15:50 The discovery of CDP323, a novel and potent Inhibitor of the integrins $\alpha 4\beta 1$ (VLA-4) and $\alpha 4\beta 7$
Julien Brown (UCB)
16.30 Generation and development of a series of MAPKAPK5 inhibitors for the treatment of rheumatoid arthritis
Martin Andrews (Galapagos)
17.10 Close

Venue

Stevenage is convenient for travel by road or rail. Located on the A1, there is parking available on site. Trains from London Kings Cross run frequently (four an hour) and the journey time is around 30 minutes. Travel advice and directions will be sent to registered participants.

Accommodation

We have held a number of bedrooms for this conference at the Ramada Cromwell Hotel in Stevenage (see www.RamadaCromwellStevenage.co.uk). Studio, single and twin rooms cost £76 for single occupancy (including breakfast and VAT). Quote reference number 27915, and note that all rooms will be released on 17th October.

Application and Fees

Application should be made on the form overleaf before 18 October to avoid the late fee. An early-bird discount applies before 1 September, see the application form. Payment must be made in advance by cheque, credit card or bank transfer. In the event of cancellation before 4 November, 80% of the fee paid will be refunded. Refunds will not be possible after that date although substitutions are possible at any time. In the unlikely event of cancellation of the meeting, fees paid will be refunded in full. The fees include attendance, abstracts, lunch and refreshments. Acknowledgements will be sent within two weeks.

Organising Committee

Véronique Birault, GlaxoSmithKline
Catherine Leblanc, Novartis
Kathryn Bell, Cellzome
Matthew Lindon, GlaxoSmithKline
Trevor Perrior, Domainex
