

# Development of Topological Descriptors for Understanding Intermolecular Interactions

Lee Steinberg, Jeremy Frey

Ashutosh Jogalekar @curiouswavefn · Nov 1  
 Molecular modeling problems  
 1970: We didn't understand water  
 1990: We didn't understand water  
 2010: We understood water  
 2017: No, we didn't.

William L. Jorgensen @JorgensenWL
